Parker Hannifin's Environmental, Health, and Safety Policy

Parker Hannifin Corporation recognizes and believes in the importance of safeguarding natural resources and the global environment. We are committed to our employees, our communities, and our customers: their health, safety and understanding of the need for environmental stewardship. We are committed to the concept of continuous improvement in environmental performance. Accordingly, we are committed to the following principles:

- ***We will seek to comply environmental, health, and safety laws on a worldwide basis.***
- ***We strive to minimize or eliminate the generation of waste.***
- ***We will monitor compliance with environmental, health and safety regulations.***
- ***We will strive to conserve the use of natural resources.***
- ***We will train employees to comply with environmental, health and safety requirements.***
- ***We will respond to the environmental concerns of our employees and the communities in which we operate.***
- ***We will implement written procedures to carryout these principles.***
